

COVID-19 Staff Screening Tool ³ c. October 6, 2020

Overview

If an individual answers **YES** to any of the questions, they **must not** be allowed to enter.

*Individuals with fever, cough, shortness of breath, runny nose, or sore throat, are required to isolate for 10 days as per [CMOH Order 05-2020](#) unless they receive a negative COVID-19 test and are feeling better. Use the [AHS Online Assessment Tool](#) to determine if testing is recommended; information on isolation requirements can be found [here](#).

As the COVID-19 pandemic continues to evolve, this screening tool will be updated as required.

Screening Questions

1. Do you have any new onset (or worsening) of any of the following symptoms:		CIRCLE ONE	
	• <i>Fever*</i>	YES	NO
	• <i>Cough*</i>	YES	NO
